5.	How will the education setting staff support my child/ young person?	<p>All of our class teachers are teachers of SEND and the school embraces an inclusive approach to whole school learning.</p> <ul style="list-style-type: none"> <li>- The class teacher is responsible for daily differentiated lessons to suit all children's specific learning needs.</li> <li>- If a pupil has additional needs related to more specific areas of their education, then an 'Pupil Passport' or 'Learning Plan' may be implemented following discussion between you, class teacher, pupil and SENDCo. That agency may conduct a series of assessments, and following these provide a program of support to the school and/or parents/carers. 6.	How will the curriculum at your education setting be matched to my child/ young person's needs?	<p>If a child is identified as having SEND:</p> <ul style="list-style-type: none"> <li>- The curriculum is adapted or differentiated in different ways according to a child's needs and recorded on the school's Provision Map. The 'Waves of provision' approach is taken: <ul style="list-style-type: none"> <li>- WAVE 1 Whole class Quality First Teaching (QFT) – class teachers routinely use their knowledge of pupil's levels and learning styles to differentiate work to match children's needs</li> <li>- WAVE 2 Targeted Support – If pupils have been identified with specific needs, their work may need to be further differentiated, to remove barriers to learning and enable them to access the curriculum more easily</li> <li>- WAVE 3 Specialist Support – If the school feels it is appropriate, specialist equipment, resources or a learning program may be made available</li> </ul> </li> <li>- Teaching Assistants (TAs) in school provide support across Waves 1, 2 and 3 provisions. TAs may work with a child 1:1 on specific focused tasks or in a small intervention group and this will be planned by the class teacher and SENDCo.</li> <li>- Specialist equipment may be given to a pupil to help them, such as a visual timetable, a wobble cushion, or adapted equipment.</li> </ul>

		<ul style="list-style-type: none"> <li>- Work may be differentiated by outcome, pace of completion, support offered or by breaking it down into smaller chunks.</li> <li>- Pre and post learning opportunities and support may be offered if appropriate.</li> <li>- If the child has received support from outside agencies such as EP (Education Psychologist) support or SALT (Speech and Language Therapy) support, these programmes and recommendations will be incorporated into the child's learning.</li> </ul> <div data-bbox="625 402 1470 812" style="text-align: center;"> <p><b>Specialist support.</b> In addition to 'good teaching for pupils with SEN is good teaching for all,' some pupils will need specialist intervention delivered by a trained professional.</p> <p><b>Targeted interventions.</b> If pupils require additional support beyond what can be offered in whole class teaching, a targeted, one-to-one or small-group intervention could provide the intensive focus required for the pupil to make progress. More guidance on effective implementation of targeted interventions is provided below.</p> <p><b>Whole-class teaching.</b> If it appears that a pupil needs additional support, the starting point should be the consideration of the classroom teaching they receive. Have you maximised their opportunity to access the best possible teaching you can offer?</p> </div>
