| 1. | 'Is their a reason the school very rarely goes on school trips? Or over night trips till year 6.' | 1. | Trips cost an awful lot of money and more often than not it is really difficult to secure a coach because of availability and cost. We are really conscious of asking parents to contribute to the costs of school trips at this moment in time. This is why we limit the number of school trips. | | | | |
| 2. | 'Would make it so much easier if we could pay for things like trips & snack money online. Also would be easier if permission slips or any important documents needing a signature could be done online too, would avoid it from going missing.' | 2. | We are currently looking at an online system that allows you to sign documents electronically. We hope this will be available soon. | | | | |
| 3. | 'I think Bruche is a wonderful school where our child is very happy and thrieving. All staff are so invested in what's best for the children individually and collectively. I couldn't ask for anymore.' | 3. | Thank you so much that is lovely to hear! | | | | |
| 4. | 'Bruche is a great school, I have 2 children who are both very happy at school and are flourishing. All the staff are amazing and work very hard and thank you for helping my children learn and develop.' | 4. | Thank you, we are so pleased you and your children are happy at Bruche! | | | | |
| 5. | 'I think the kids need more supervision during the lunch break.Thank you.' | 5. | Currently we are over staffed on the playground at lunchtimes to ensure the safety of all the children. We will look into how we can distribute the staff across the playground a little better. | | | | |
| 6. | 'Thank you to the Head, teachers, office and support team at Bruche for providing such an outstanding educational environment. The updates and the new comms approach is good to see (eg new Facebook page), the work from the pta has really stepped up a gear after the covid years (discos and awesome decorations), teacher contact is spot on and discipline when needed is something that whilst only hearing of issues indirectly seems to be nipped in the bud quickly which helps kids who want to learn & don't like to see more disruptive behaviour (or have fun in an after school club) get on and grateful that the behaviours of the minority don't distract on overall learning.' | 6. | Many thanks for your comment it was lovely to read to staff! | | | | |
